

situation hydration

Think all creams and lotions are the same? Not quite. Find the Dermalogica moisturizer that's right for your unique skin condition!

excessively oily

oil control lotion

Hydrating, oil-free lotion that reduces oily shine. For skin that gets oily within 2 hours of cleansing.

oily

active moist

Provides lightweight, oil-free hydration and improves skin texture.

dry/dehydrated

skin smoothing cream

Moisture-balancing cream that smooths lines and restores suppleness.

very dry

intensive moisture balance

Protects against moisture loss and reduces the signs of premature aging.

extremely dry/aging

super rich repair

Thick cream that combats chronically dry, aging and environmentally sensitized skin.

aging

power rich™

3-in-1 concentrated cream that firms, exfoliates and moisturizes aging skin.

aging

dynamic skin recovery SPF30

Firming daytime moisturizer packed with age-fighting ingredients.

sensitive/resurfaced

barrier repair

Waterless treatment that soothes irritation as it reinforces the skin's protective barrier.
